

Industrial Batteries Policy (UK only)

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, we **Secure Meters (UK) Ltd** produce products containing: Lithium Thionyl Chloride, Lithium metal batteries.

Some will have tags fitted, soldered connections, attached wires (with and without connectors). We are obliged to take back free of charge, waste industrial batteries supplied to an end user for treatment and recycling.

We are required to do this in any calendar year we place new industrial batteries on the market. If any of our customers or in certain cases other end users, require us to take back Industrial batteries, they should contact us at:

Secure Meters (UK) Ltd,
Roman Farm Road,
Hengrove,
Bristol
BS4 1UP.

Email: sales@securemeters.com

Tel: 0117 9788700

We will agree the necessary arrangements for the return, proper treatment and recycling of the waste industrial batteries
